Assistant Commissioner for Patents
Washington, D. C. 20231

Sir:

I, Edward W. Jackson, the inventor named in the above-identified patent application, hereby declare: that I am a citizen of the United States of America; that my residence and post office address is 3745 South Haven Way, Salt Lake City, Utah 84109; that I verily believe I am the original, first, and sole inventor of the subject matter of the invention or discovery for which a patent is sought and which is described and claimed in the above-identified application; that the subject matter of the amendments dated July 27, 1999, January 10, 2000, May 18, 2000, and January 12,

2001 was part of my invention and was invented before the filing of the original, above-identified, patent application; that I have reviewed and understand the contents of the specification of the above-identified application, including the claims, as amended by the amendments referred to above; and that I acknowledge the duty to disclose information which is material to the examination of this application in accordance with Section 1.56(a) of Title 37 of the Code of Federal Regulations.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful, false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful, false statements may jeopardize the validity of the application or any patent issuing thereon.

Signed at Salt Lake City, Utah this 12th day of January, 2001.
